

EAS CONCENTRATION CHECKLIST

Language Requirement

Language study through the level of 600 or the equivalent. Students who waive out of language study through demonstrated competency are required to take at least three courses focused on the region associated with their language of expertise.

East Requirement

At least three of the eight courses must be East Asian Studies (EAST) at any level or Chinese (CHIN), Japanese (JAPN), or Korean (KREA) courses at the 1000-level

1.
2.
3.

Breadth Requirement

At least 1 of the 8 electives must focus on an East Asian country or culture other than those associated with the language the student is using to satisfy the concentration's language requirement.

4.

Advanced Senior Seminar

At least 1 of the 8 must be an advanced research seminar, taken in the senior year.

5.

Focus Requirement

In order to ensure intellectual coherence and focus in the concentration, at least three of the eight electives must focus on the geographic region associated with the student's language study/expertise. For example, a concentrator studying Japanese language should take at least three courses focusing on Japan.

6.
7.
8.
